

# dMRI Hemispheric

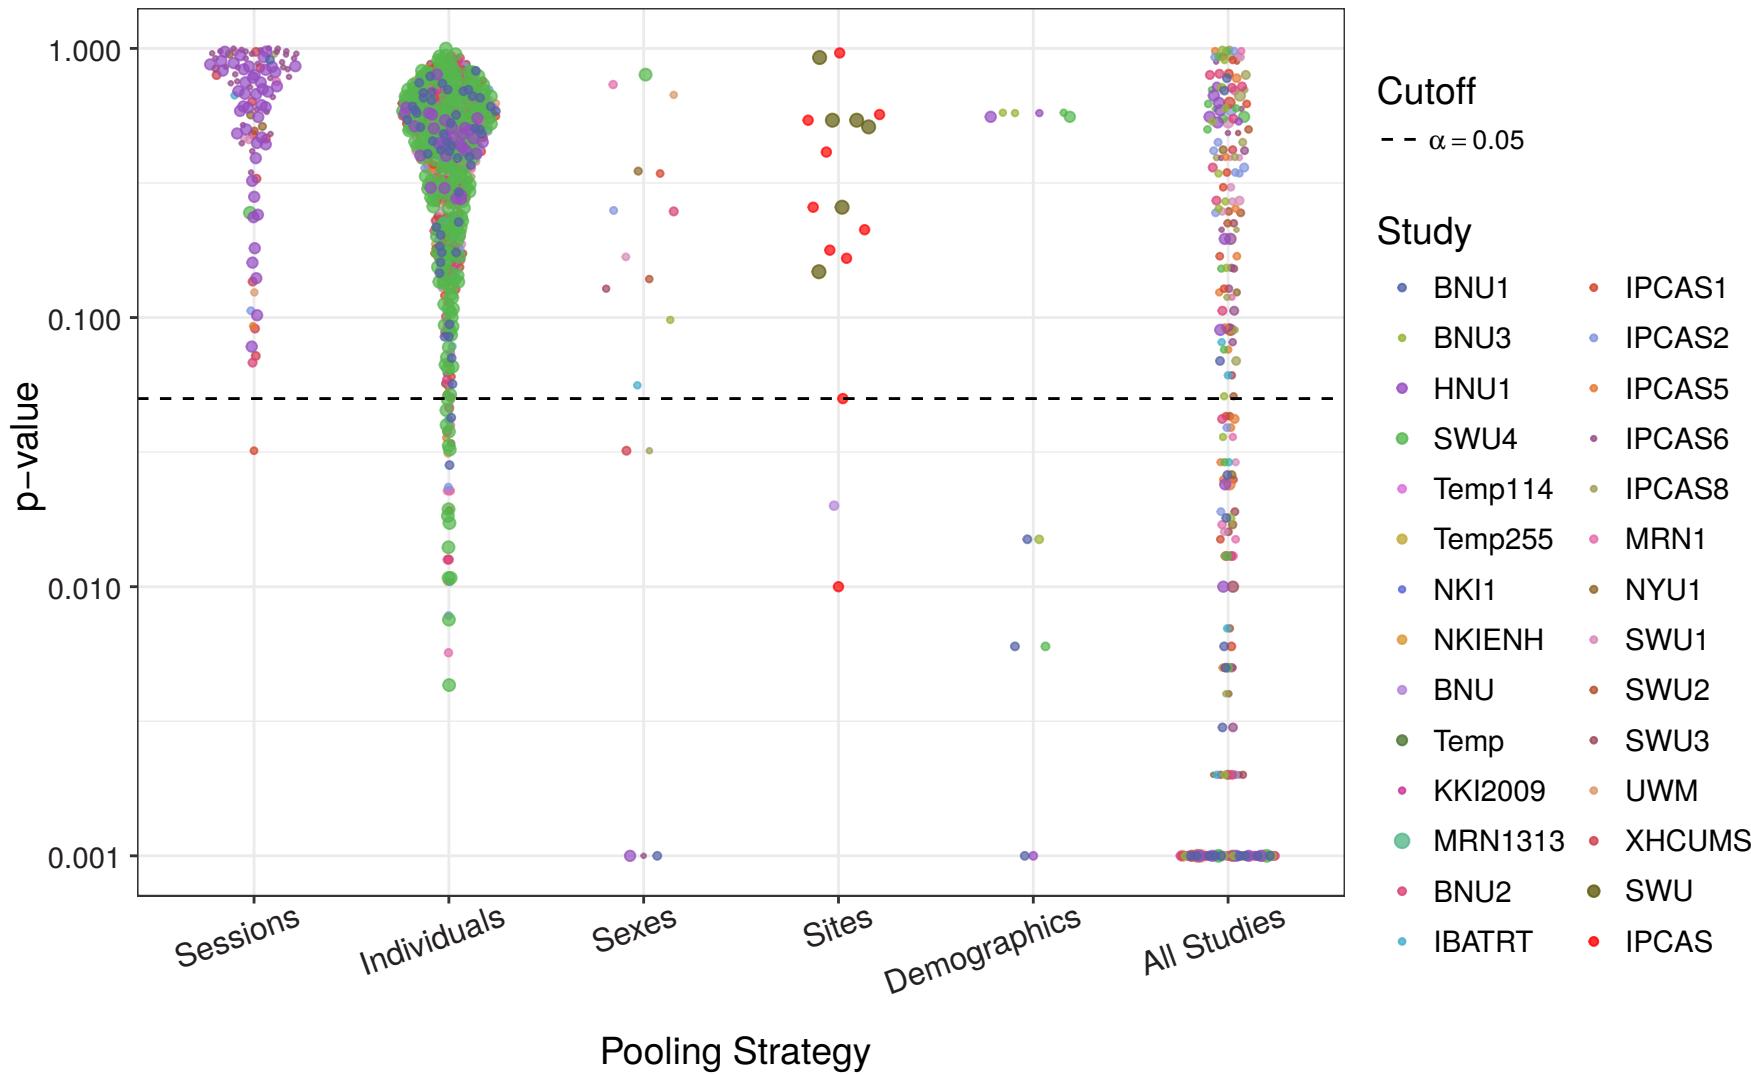

# fMRI Homotopic

(A.iii) Significance of differences within vs. across each pooling strategy

(B.iii) Significance of differences within vs. across each pooling strategy

(C)

Modality	Pooling Within Studies				Pooling Between Studies		
	Sessions	Subjects	Sexes	Sites	Demographics	All Studies	
dMRI	0%	15%	0%	50%	67%	71%	
fMRI	1%	6%	29%	12%	50%	61%
